Helen Russell

Slee-ping in a sta - ble what are we to do?

We won't get to sleep if the cows go moo.

**Sleeping in a stable
There's no going back
We won't get to sleep
If the ducks go quack
Quack quack quack quack**

**Sleeping in a stable
Lying in the muck
We won't get to sleep
If the hens go cluck
Cluck cluck cluck cluck**

**Sleeping in a stable
Keep warm in the hay
We won't get to sleep
If the horse goes neigh
Neigh neigh neigh neigh**

**Sleeping in a stable
Oh the floor is rough
We won't get to sleep
If the dog goes woof
Woof woof woof woof**
